

Relating to the development of statewide plans, programs and procedures directed against the operation of motor vehicles by chemically impaired drivers.

WHEREAS, the safety of persons and property in the State of Arizona continues to be threatened by chemically impaired drivers of motor vehicles; and

WHEREAS, it is in the best interest of the State of Arizona to protect the safety of persons and property within the State through the enforcement of laws and the development of programs designed to abate the dangers posed by the chemically impaired driver; and

WHEREAS, in order that the most effective use be made of all resources that are available or may be made available to combat the problem of the chemically impaired driver, it is necessary that all appropriate and/or related programs and plans at the State level should be coordinated with those related activities of the State's political sub-divisions, the federal government and the private sector;

NOW, THEREFORE, I Rose Mofford, Governor of the State of Arizona, by virtue of the authority vested in me as Governor by the Constitution and the Laws of this State, hereby order and direct as follows:

1. The Highway Safety Representative and the Office of Highway Safety shall develop a State Plan to coordinate the statewide effort to curtail the driving of chemically impaired persons in Arizona.
2. The Highway Safety Representative is hereby designated as the state coordinating officer for the implementation of the State Plan, including the acquisition and utilization of federal highway safety incentive grants made available through the National Highway Traffic Safety Administration.
3. The Directors of the Department of Public Safety, Department of Transportation, and Department of Health Services shall serve as standing members on a Chemically Impaired Driver Advisory Committee that will assist in the development of a Chemically Impaired Driver Impact Plan. The head of each designated department, hereinafter referred as agency, shall designate a responsible staff position within the agency to function as the agency coordinator for chemically impaired driver activities and to serve as an active member of the advisory committee.
4. The Highway Safety Representative may invite the heads of other departments, bureaus, boards, commissions, associations, independent institutions in State government and representatives of the private sector to serve as ad hoc members of the advisory committee and to assist in the development and implementation of the Plan to curtail the chemically impaired driver.
5. The Plan shall delineate specific functions and assignments for State agencies that are consistent with the agencies routine functions and responsibilities.

IN WITNESS WHEREOF, I HEREUNTO set my hand and caused to be affixed the Great Seal of the State of Arizona

Rose Mofford
GOVERNOR

DONE at the Capitol in Phoenix on this twenty-first day of February in the Year of Our Lord One Thousand Nine Hundred and Ninety and of the Independence of the United States of America the Two Hundred and Fourteenth.
